Satisfactory guarantees of their ability to execute the finest of work are to

shori, everything in our line my18-3m W. P. & S. J. COBB. Wm. B. McNABB. Pratt's Southern-Made GIN.

This Gin, of light draft, makes a good sample, and will pick more lint from the same amount of seed cotton, and in less time than any other gin. It does not break the roll nor choke, is suple in construction and not liable to get out of order.

It is a good rule to try all things and hold fast to what has been approved, and answers the purpose for which it is made. This is claimed for Pratt's Gin, and admitted by practical planters who have used it.

Call at

R, H. ANDERSON & CO., lackson, Tenn., and examine Sample Gin. but a student may complete his course an Steam Engines and Machinery made by Talbott & Sons, Richmond, Va., have taken the premium over all others at fairs where they have been exhibited.

Orders for gins, engines, machinery and gum bands promptly filled. Gins repaired by a skill-ulginright. Address Memphis, Tenn.
